### **RECRUITMENT IS OPEN TO THE GENERAL PUBLIC**

### **READVERTISE RECRUITMENT NOTICE**

**Position:** Architect/Engineering Manager II (Chief Engineer)

**Position No:** 00175

**Location:** Big Stone Gap (Southwest, VA)

**Salary Range:** \$80,000 – \$109,818

The Department of Mines, Minerals and Energy is seeking an individual to manage the Division of Mined Land Reclamation technical services unit. This section is responsible for the engineering and environmental review of surface coal and complaints to ensure that operations are technically sound. This is a responsible charge engineering position and requires a Certified Professional Engineer license in the state of Virginia. This position has been designated as required to file a Statement of Economic Interests in accordance with Section 2.2-3114 of the Code of Virginia.

### **QUALIFICATIONS:**

Thorough knowledge of hydrology, mining, and reclamation principles as applied to mining and mined land reclamation, along with a knowledge of the design and function of sediment structures, valley fills, slurry impoundments, etc. Ability to meet the public and give technical assistance on permitting/reclamation projects; ability to plan and supervise the work of others. Strong customer service skills and ability to provide leadership to a staff with diverse area of expertise. Knowledge of budgeting principles; strategic planning processes and implementation. Strong knowledge of Surface Mine Control Reclamation Act (SMCRA) permitting and National Pollutant Discharge Elimination System (NPDES) permitting requirements, federal Endangered Species Act, Environmental Protection Act, and Department of Environmental Quality environmental regulations relating to mining operations and consultation processes. Graduation from a college or university with major studies in civil, mining, or environmental engineering or an equivalent combination of training and experience indicating possession of the preceding knowledge, skills, and abilities may substitute for education. Must have progressively responsible engineering experience related to the mining industry and knowledge of mining and reclamation laws and regulations and Virginia NPDES permitting regulations and guidance. Must possess a Certified Professional Engineer (CPE) license from the Commonwealth of Virginia.

TO APPLY: All applications for this position **MUST** be submitted on-line through the Commonwealth Recruitment Management System. <https://jobs.agencies.virginia.gov>. Telephone: (276) 523-8142; TTY/TTD: (800) 828-1120

**THIS IS A CONTINUOUS RECRUITMENT POSITION/OPEN UNTIL FILLED**

**EQUAL OPPORTUNITY EMPLOYER**
